

## SAINT BERNARD CAPITAL CAMPAIGN

- 1) Think of the blessing that St. Bernard Church has been for you and this community.
- 2) Think of the blessing that it will be for future generations, especially with air-conditioning.
- 3) Consider the sacrifices of past generations when they:
  - a. built the 1<sup>st</sup> church in 1854 with only 40 families, followed by their first rectory & school;
  - b. purchased land for the cemetery, which was blessed in 1858;
  - c. built their second church (12 years after the first one) in 1866;
  - d. dealt with frequent flooding of their church and then, financial ruin in the late 1870's;
  - e. built a new school building in 1888, and a new rectory in 1898;
  - f. experienced the devastation of the floods of 1907 & 1913, which destroyed their 2<sup>nd</sup> church;
  - g. completed St. Bernard church in 1914, after the start of World War I;
  - h. beautified St. Bernard church with a new façade and stained glass windows;
  - i. built the current school building in 1925;
  - j. added the Beatitude windows in 1932 in the midst of the Great Depression!
  - k. Built the current rectory in 1957.
- 4) Consider the sacrifice that God is asking you to make to preserve this blessed heritage.
- 5) Please fill in your commitment pledge below, refold this sheet, place in envelope, seal and turn in.
