2021 Recap

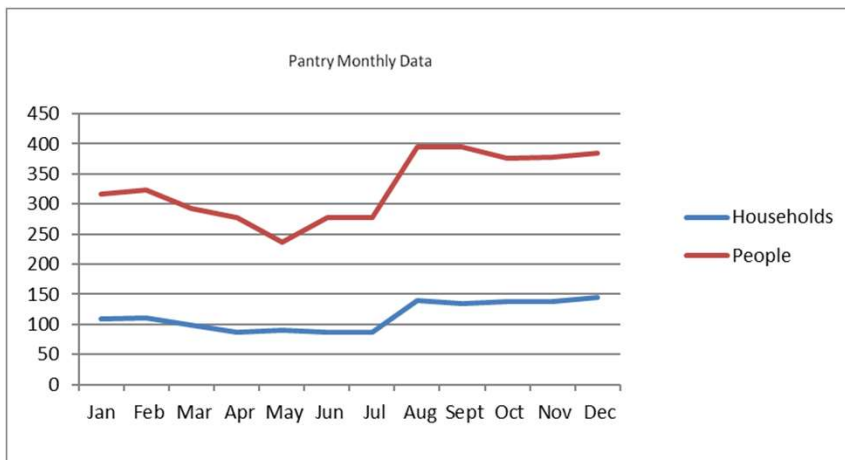

To all our volunteers and contributors, thank you
and God Bless You!

A huge shout out to **Mary Kaiser** and
Dennis Daniel for all their hard work!

The Pantry has currently over thirty volunteers
and is financially stable.

Data note: The increase in September was due to the end of certain government payments related to Covid.

In addition, we distributed:

- **245** complete fixins' for Thanksgiving Dinner
- **260** complete fixins' for a Christmas Dinner

We served about an average of 114 households per month. The pantry provided food for an average of 325 people per month. **This is just under 1,400 households and about 4,000 people for the year.**
